nossas coleções

As coleções da bobinex alinham tudo que há de novo com o gosto do público brasileiro.

Nosso portfólio de estampas permite que consumidores encontrem exatamente o design que mais combina com seu ambiente e sua personalidade.

As estampas são organizadas por estilos - cada qual com seu próprio conceito, detalhes e características.

Com as bases renovadas – fibra longa que permite maior facilidade na instalação com menor dilatação – a bobinex reafirma o seu compromisso com a qualidade e confiança do melhor produto do mercado.

Contemporâneo

Nunca se olhou tanto para dentro de casa. Em milhões de lares ao redor do mundo e no Brasil, o refúgio de longos dias de trabalho, que sempre nos acolheu para noites de sono e momentos íntimos transformou-se em uma constante.

O teto é, a cada dia que passa, mais parecido com o céu – e o que está à nossa volta ganha outros olhares, contornos e dimensões. Esse é o DNA da nova coleção de bobinex: Contemporâneo foi pensada para novos momentos atuais – da marca e do mundo. Levar luz, cores, alegria e novos começos para a casa das pessoas é o motivo que mora em cada nova estampa.

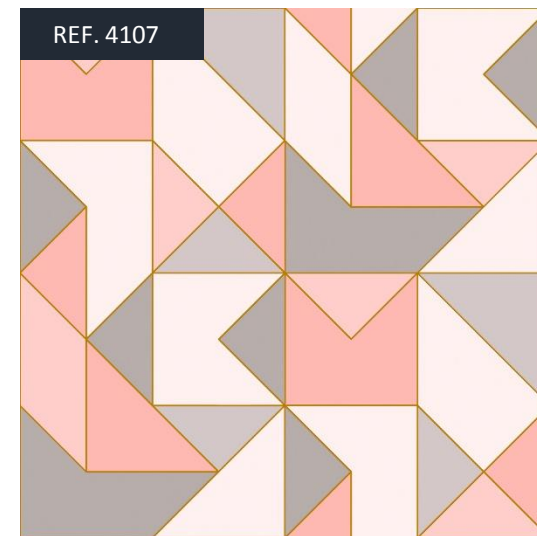

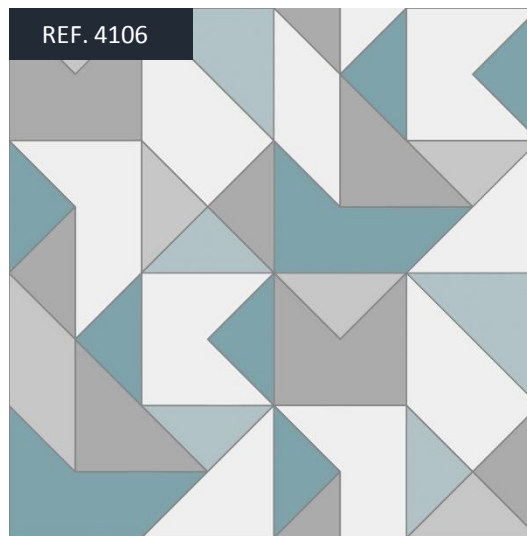

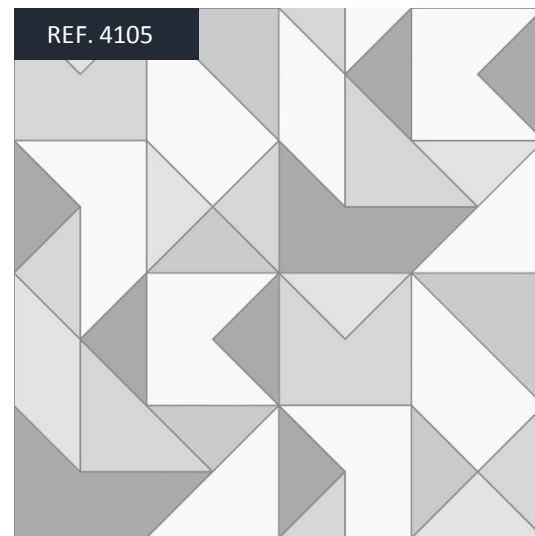

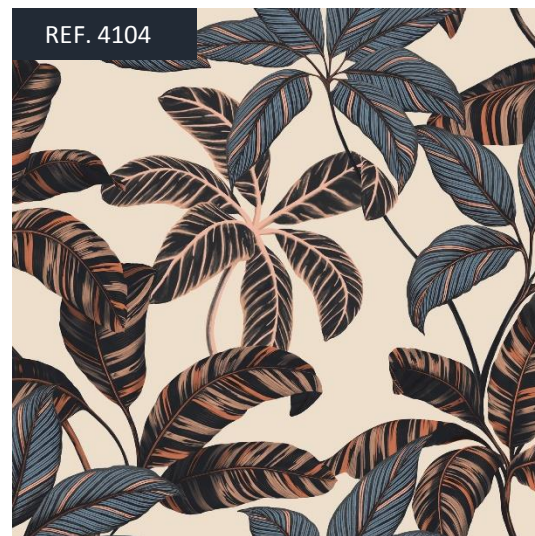

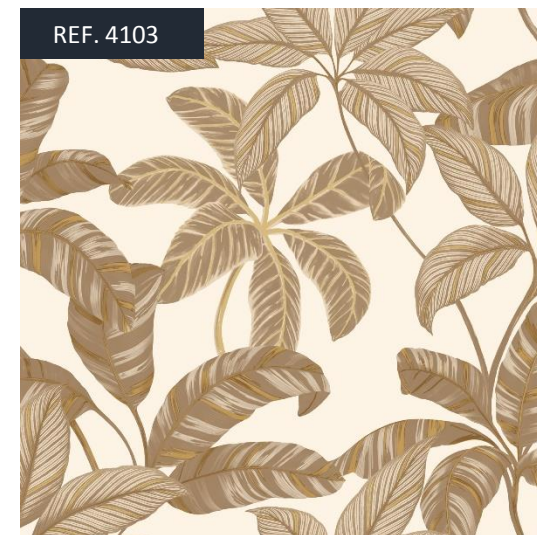

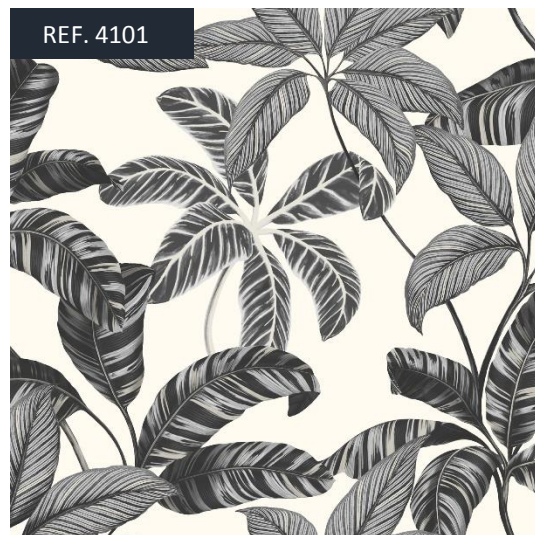

Para isso, temas que remetem à natureza dão o tom dos papéis de parede, visando entrar na mesma sintonia de quem deseja transformar seu atual habitat.

A coleção traz florais, folhagens, geometrias e básicos com novos tons - mais leves - que dialogam com as novas tendências mundiais de cores. Uma proposta mais leve para o lar em uma coleção que vai das texturas de concreto e pedras às folhagens e florais, passando por estampas clássicas revisitadas em novas cores capazes de trazer conforto e calma para os ambientes
